2. To be completed by the instructor

Please comment on the student's language proficiency if you are his or her language instructor. Otherwise, we recommend a short interview in the language to determine his or her approximate level. Please note that all students taking courses and living day-to-day in a native language environment are encouraged to have at least a second-year UBC level or equivalent. Your assessment will help Go Global advisors ensure an appropriate program match for this student.

Please choose the option that best describes the language proficiency of the student.
